“ *Heart felt condolences
Met Cliff about 25 years ago through scouting. He has been a great friend from day one. We had some great conversations and shared many a laugh telling stories. Was always fun sharing/learning the did you know, FYI, problem solving tricks we pick up here and there. I will miss my friend. Although I really want to attend the service today, circumstances of 2020 and conditions regarding visitation and laying to rest, sadly, I shall not be physically present. Linda, if you read this, know if you need help with anything you can call me and I'll assist the best I can. 662-419-0073.*

“ Linda, I am so very sorry to here of Clifton's passing. As my next door neighbor when growing up, he was like a brother to me and Darrell. We had many fun escapades on Center Road as kids. Of course, I loved Miss Doris and Mr. Olen like second parents. I will never forget how good Mr. Olen was to mother after Daddy died. Please know that you and your sons are in our prayers.
Love,
