“ *My sweet, sweet Uncle Bud - I will so miss that twinkle in your eye and the way you put your forehead to mine when you were telling me something important. It was so difficult in your final days, but I know you are now sweetly conversing with Jesus. I will see you again. With much, much love, Libby*

“*Darrell and Linda, So sorry to hear about the loss of your Dad. Having lost both my parents I know what a difficult time this is. Just remember the good times ya'll have shared over the years and know that God has him in his graces now. Please let me know if there is anything I can do for you in this sorrowful time. I know he is proud of the people you two have become and looks forward to seeing you again one day. Love you both.*
